

INTEGRATED ENERGY THERAPY (IET)

WHAT IS IT?

Designed to clear negative emotions and traumas from the human body, IET is a powerful energy therapy that will bring the body back to its natural state of health, balance and joy. IET connects you to the beautiful energy of the Angels. Through them you will release the unwanted emotions that your body is holding onto. Each Integrated Energy Therapy class is a very intensive self-healing experience. You will learn potent techniques to heal others as well as yourself and find your soul's purpose.

~ No prior energy therapy experience is needed.
